**This kit replaces the standard water pump, pulley and belt drive found on the Zetec Focus upgrade ('Blacktop') engine.**

**The advantages are:**

- Power gain of 3-4 bhp
- Allows the use of higher RPM as cavitation is eliminated
- Removal of belt drive and idlers

**Kit includes Electric Water Pump, wiring, relay, instructions, blanking plate, fixing screws, 'O' ring seal.**

**Also available is the alternator kit as pictured above, together with the RMP 2000 lightweight pulley**
